ECITB CCNSG 1 DAY SAFETY PASSPORT
REFRESHER COURSE OUTLINE

REFRESHER COURSE – 1 DAY

This 1 day course is for the **renewal** of the ECITB CCNSG Safety Passport card only as accredited by the Engineering Construction Industry Training Board. The renewal of the ECITB CCNSG Safety Passports can be done between three months before the expiry date of the passport and three months after the expiry date of the passport. If delegates have not renewed their ECITB CCNSG Safety Passport by the three months expiry end date they will have to retake the two day basic programme again to re-validate their passport.
